

# RightFax Integration for Konica Minolta

The RightFax Connector for Konica Minolta provides advanced integration between RightFax and Konica Minolta MFP devices for a sophisticated two-way communication solution. The connector allows you to:

- Scan paper documents and fax them via RightFax
- Set cover sheet options
- Send as a guest user or authenticated RightFax user
- Enter cover sheet notes
- Hold for preview
- Enter up to two billing codes
- Print, email or file drop fax status notification
- Authenticated users can access their personal address book
- Share MFP-specific address book with all users

*Note: This connector requires RightFax 10.5 Feature Pack 1 or later and bEST-equipped MFPs.*

## Interface Options

Choose from two user interfaces: 1. Embedded browser with an advanced user interface or 2. Native with a simple user interface. Both options offer:

- All the features provided in the RightFax Connector for Konica Minolta MFPs
- Ability to select recipients from personal RightFax user address book
- Use of personal RightFax notification options

## Supported Models

All KMBS Connectors require a Hard Drive installed on the device bEST/browser UI: Requires the KMBS Web Browser and iOption License
