

Healthcare Integrations

RightFax easily integrates with a multitude of software, including desktop, e-mail, imaging, archiving, and document management and mainframe applications. This provides tightly integrated fax server and electronic document delivery solutions, which are essential for the healthcare industry.

Key Capabilities:

- Easily integrate with many healthcare industry applications such as EPIC, VISTAR Systems and Nuance Healthcare Solutions as well as document management and EMR systems— providing consistent end-user experience/administration and system consolidation
- Automate inbound digital delivery of medical records, radiology reports, and patient information to various end users and departments to help insure HIPAA compliance
- Save time and money by reducing paper waste
- Leverage a robust API to incorporate faxing into your custom applications
- Enable high availability by joining multiple systems into a collective
- Use with IP-based phone systems including Cisco, Alcatel, Nortel, Avaya, and more
- Customize an affordable and scalable solution for any size organization and get a fast ROI
